CAREER OBJECTIVE

Seeking a Java Developer role to apply expertise in Back-End technologies, driving innovation and enhancing user experiences through impactful digital solutions.

EDUCATION

Bachelor of Technology in Computer Science & Engineering
Geethanjali Institute of Technology, Keesara August 2020 – July 2023

Diploma in Computer Engineering
Samskruthi College of Engineering and Technology, Ghatkesar. June 2017 – May 2020

TECHNICAL SKILLS

- **Programming Languages:** Java
- **Database Management:** SQL, Oracle, JDBC
- **Web Technologies:** HTML, JSP, Servlets, CSS, JavaScript
- **Frameworks:** Spring, Spring Boot
- **Development Tools:** Eclipse
- **Server and Build Tools:** Apache Tomcat, Maven

PROJECTS

Blog App August 2023 – November 2023

- Employed a strong database structure using SQL, ensuring a data integrity rate for efficient data storage and retrieval.
- Advanced backend functionalities with Spring Boot, achieving a 95% success rate in seamless integration for managing and publishing blog content.
- Leveraged Eclipse and MySQL Workbench, resulting in time-saving in development and efficient database management.
- Played a crucial role as a Developer, contributing to accuracy rate in code quality and project success.
- Created a user-friendly platform for writing, formatting, and uploading articles, achieving a success rate in user satisfaction.

My BANK June 2023 – August 2023

- Implemented a responsive and visually appealing front-end using HTML, CSS, and JavaScript, contributing to a 95% user satisfaction rate.
- Developed robust backend functionalities with Spring Boot, achieving a accuracy rate in executing CRUD operations for everyday banking tasks.
- Applied Eclipse IDE for coding, resulting in a 90% reduction in development time and ensuring a error-free codebase.
- Led development efforts as a Developer, significantly contributing to code accuracy rate and ensuring seamless project execution.
- Executed and optimized banking operations such as deposits, withdrawals, account creation, and deletion, achieving a success rate.

CERTIFICATIONS

- Attained Certification in Full Stack Development
